## Glimpses of Forensic Research 2016

# Glimpses of Forensic Research 2016

# About Houston

Houston is a dynamic mix of imagination, talent and first-class attractions which makes it a world-class city. It is always alive with energy and is rich in diversity. When you think about Houston, Texas, you probably picture massive oil refineries, oppressive humidity, and a sub-par baseball team - a far cry from one of the nation's most up-and-coming cities. Home to a vibrant economy, beautiful surroundings and a population full of optimism and spirit, it's no wonder that Houston is a popular international destination. The Bayou City is an economic juggernaut. It's by far the country's No. 1 job creator and home to 500 companies. It has a medical centre larger than downtown Dallas. Add a thriving restaurant and cultural scene, and you've got a winning case for Houston as the best city in America.
